THE MISSION AND STRATEGIES

FFA makes a positive difference in the lives of students by developing their potential for **premier leadership, personal growth and career success** through agricultural education. To accomplish this mission, FFA:

- ◆ Develops competent and assertive agricultural leadership.
- ◆ Increases awareness of the global and technological importance of agriculture and its contributions to our well-being.
- ◆ Strengthens the confidence of agriculture students in themselves and their work.
- ◆ Promotes the intelligent choice and establishment of an agricultural career.
- ◆ Encourages achievement in supervised agricultural experience programs.
- ◆ Encourages wise management of economic, environmental and human resources of the community.
- ◆ Develops interpersonal skills in teamwork, communications, human relations and social interaction.
- ◆ Builds character and promotes citizenship, volunteerism and patriotism.
- ◆ Promotes cooperation and cooperative attitudes among all people.
- ◆ Promotes healthy lifestyles.
- ◆ Encourages excellence in scholarship.

THE EMBLEM

The national FFA emblem, consisting of five symbols, is representative of the history, goals and future of the organization. As a whole, the emblem covers the broad spectrum of the FFA and agriculture. Each element within the emblem has unique significance.

The cross section of the ear of corn provides the foundation of the emblem, just as corn has historically served as the foundation crop of American agriculture. It is also a symbol of unity, as corn is grown in every state of the nation.

The rising sun signifies progress and holds a promise that tomorrow will bring a new day glowing with opportunity.

The plow signifies labor and tillage of the soil, the backbone of agriculture and the historic foundation of our country's strength.

The eagle is a national symbol which serves as a reminder of our freedom and ability to explore new horizons for the future of agriculture.

The owl, long recognized for its wisdom, symbolizes the knowledge required to be successful in the industry of agriculture.

The words "Agricultural Education" and "FFA" are emblazoned in the center to signify the combination of learning and leadership necessary for progressive agriculture.

The emblem and the letters "FFA" are protected by trademarks registration No. 996,642 and No. 998,731 in the U.S. Patent Office and by Public law 740, 81st Congress.

THE FFA CREED

I believe in the future of agriculture, with a faith born not of words but of deeds - achievements won by the present and past generations of agriculturists; in the promise of better days through better ways, even as the better things we now enjoy have come to us from the struggles of former years.

I believe that to live and work on a good farm, or to be engaged in other agricultural pursuits, is pleasant as well as challenging; for I know the joys and discomforts of agricultural life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of progressive agriculturists to serve our own and the public interest in producing and marketing the product of our toil.

I believe in less dependence on begging and more power in bargaining; in the life abundant and enough honest wealth to help make it so - for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends on me.

I believe that American agriculture can and will hold true to the best traditions of our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

The creed was written by E.M. Tiffany, and adopted at the 3rd national Convention of the FFA. It was revised at the 38th Convention and the 63rd Convention.

COLORS

As the blue field of our nation's flag and the golden fields of ripened corn unify our country, the FFA colors of national blue and corn gold give unity to the organization. All FFA functions and paraphernalia should proudly display the colors.

SALUTE

The Pledge of Allegiance is the official salute of the FFA organization. To properly conduct the salute, face the United States flag, place the right hand over the left part of the chest and, holding it there, repeat the following pledge:

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all."

MOTTO

FFA for Agriculture Students

FFA is a national organization of high school students preparing for careers in agriculture. FFA chapters are established in public schools offering instruction in agricultural education under provisions of the National Vocational Education Acts.

Organized in 1928

FFA was organized nationally in 1928 in Kansas City by vocational agriculture students who had formed local and state organizations, some dating back to 1917. In 1950 Congress granted the FFA a Federal Charter. Today, there are 7,248 chapters with 451,997 members in all 50 States, Puerto Rico, the Virgin Islands, Guam, Rota and Saipan (Commonwealth of Northern Marianas Islands), Majuro (Marshall Islands), and Kosrae and Yap (Federated States of Micronesia).

FFA Develops Agricultural Leaders

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education - this is the main goal of the National FFA Organization. Through participation in FFA activities, young men and women, interested in all aspects of the agricultural industry, learn how to speak in public, conduct and take part in meetings, handle financial matters, solve their own problems, and assume civic responsibility.

A Challenge to Excellence

FFA members elect their own officers, plan and carry out activities with a minimum of supervision from their agricultural education instructor who serves as chapter advisor. FFA Knowledge and Skills Career Development Events, Leadership Career Development Events, and award programs for chapters and individual members complement the classroom instruction and challenge students to excel.

Degrees of Membership

The FFA is structured into a degree program which rewards active FFA members for progress in all phases of leadership, skill and occupational development. The Greenhand FFA Degree and the Chapter FFA Degree are awarded at the chapter level. State associations award top members with the State FFA Degree. The highest degree, The American FFA Degree, is conferred on an elite group of members at the National level.

The National FFA Organization

The headquarters and principal office of the National FFA Organization is the United States Department of Education in Washington, District of Columbia. The business office is located in Indianapolis, IN. The National FFA Organization is focused on delivering those programs, activities and services that best serve students and chapters. Those activities include: International, Leadership, Communications, Career Development Events (CDE) and Awards, and Membership Development.

FFA Foundation

Many FFA programs are made possible because of the fund-raising efforts of the National FFA Foundation. The National FFA Foundation, Inc. was established in 1944 and the Iowa FFA Foundation, Inc. was established in 1986. The formation of these foundations enable businesses and industrial firms, organizations, past FFA members and other individuals to cooperate in supporting and furthering the programs of the FFA.

FFA Alumni Association

The FFA Alumni Association was founded in 1971 to give former FFA members and FFA supporters an opportunity to continue their support of the FFA organization. FFA alumni organizations at the local, state, and national levels are making substantial contributions both in time and money to assist in the continued growth and development of an active FFA program for youth preparing for careers in agriculture. The Iowa FFA Alumni Association was established in 1972.

YEARS OF PROGRESS

History of the Iowa FFA Association

Over seventy years have passed since the first FFA chapter was organized in Iowa. The following pages are evidence of progress in activities which has grown through increases in membership and the number of local chapters. The following is a statement taken from the *Iowa Association FFA "Ten years of Progress"* report.

"The vocational agriculture program was started in Iowa, as well as in other states of the nation, in 1917. This was shortly after the passage of the Smith-Hughes Vocational Education Act by the National Congress. Almost from the beginning of the inauguration of the program there was a consciousness on the part of many of the leaders in this phase of education that farm boys need inspiration as much, if not more, than information regarding the occupation of farming. It was in search of some means of supplying this inspiration for the farm boys that Henry C. Groseclose of Virginia conceived the Future Farmer idea and organized the "FFV," Future Farmers of Virginia. This was in 1926. The plan proved successful. It appealed to farm boys. Similar organizations patterned closely after the FFV developed in other states. In 1928 there was a demand from all parts of the country for a national organization for boys enrolled in vocational agriculture classes. In November of that year an organization meeting was held in Kansas City, Missouri, at which time a temporary constitution very similar to the present one was adopted. Thus the various state organizations were affiliated into a national organization known as the Future Farmers of America."

"In response to a need for an organization among the vocational agriculture students in Iowa, local clubs of one type or another had been in operation within the state for a number of years. However, there was little to hold these local clubs together. Consequently when the opportunity came to form a state organization of vocational agriculture students and to link with the national organization, all persons interested in the further development of vocational agriculture education were enthusiastic about the possibility. Delegates from 23 schools organized the Iowa Association FFA at Iowa State College May 17, 1929. On September 9, 1929, a charter was granted by the National organization. Iowa was the twenty-second state to qualify for a charter. Preliminary to the organization of the Iowa Association a number of individual committees were at work. A committee composed of G.F. Ekstrom, supervisor of agricultural education, and Instructors Adam Miller and H.T. Hall, were appointed to investigate the possibilities of and to work out a plan for a state organization of vocational agriculture students. Another committee composed of Messrs. H.J. Hamlin and H.M. Byram of Iowa State College; Instructors Paul Barker, Wilbur Balmos and H.T. Hall, and C.G. Ekstrom met to plan a state constitution. Another meeting was held in March, 1929, at which Messrs. H.M. Hamlin, H.M. Byram, T.E. Sexauer, A.A. Sather, W.H. Lancelot, E.C. Darling, P.I. Barker, C.E. Bundy, H.T. Hall, J.A. Linke, F.E. Moore, and G.F. Ekstrom were present."

"The first local FFA chapter in Iowa was organized at Kelly in July, 1929 under the leadership of H.M. Byram, teacher of vocational agriculture. Soon after chapters were organized at Muscatine, Maquoketa, and Charles City. Following these, the movement spread rapidly into all parts of Iowa. By the end of the first year 1929-1930, the 30 local chapters had been organized in the state."

The history of the FFA in Iowa has been from the beginning one of progress. It has grown from 576 members and 23 chapters in 1929 to 234 chapters and over 12,000 members at the present time. The organization has not only grown in membership but has each year improved its program of helping students better prepare themselves for citizenship and to meet the pressing problems of production agriculture and agribusiness.

During the over seventy years of progress in the Iowa FFA Association, thousands have gained inspiration and developed confidence in themselves as a result of their membership and participation in the FFA. A large percentage of these students are applying the knowledge gained from their training in agricultural education and are putting into action the inspiration received from participating in the FFA. These past FFA members are helping to make Iowa a prosperous agricultural state in which to live.

IOWA FARMER/FFA DEGREES

The highest degree that can be conferred on members by the Iowa FFA Association is that of Iowa Farmer in the Production category through 1974-75 & thereafter in both Production & Agribusiness categories. In 1989, the name of the degree was changed to "Iowa FFA Degree." The name of the member & the post office of the school are listed. The list includes those members in the production & agribusiness categories who advanced in this degree on their records of accomplishments in supervised agricultural experience programs, leadership, & scholarship.

CONTESTS/CAREER DEVELOPMENT EVENTS

Chapter Program of Activities Career Development Event

The Chapter Program of Activities Career Development Event is designed to emphasize group activity and accomplishments, and to recognize cooperative undertakings and leadership, growing out of an organized program in schools and communities. Its importance is indicated by the fact that the event is based on the chapter program of activities and involves the entire chapter membership. This event was referred to as the Chapter Program of Activities Contest until 1995-96 at which time it became known as a career development event. The state winners are:

First and Second Place Winners (1929-30 to 1939-40)

Chapter Activity Exhibit Career Development Event

A Chapter Exhibit Contest first started in 1932-33 as an FFA Scrapbook event, and the following year as a Chapter Records Contest providing an opportunity for chapters to exhibit their minutes, treasurers' accounts, annual program plans, clippings, and other material. Starting in 1947-48 this contest was known as the Chapter Activity Contest which provided an opportunity for chapters to display information on one chapter project or activity in their annual program of activities. Beginning in 1995-96 this activity became known as the Chapter Activity Exhibit Career Development Event. The State Winners are:

OFFICIAL FFA CALENDAR

From 1964 to 1978 inclusive the Iowa Association ranked first in number of chapters in the National Organization participating in the calendar program (only in '76 and '78 has there been a tie). Iowa was 2nd in '61 and '63, 3rd in '62, and 5th in '60, the year the program was initiated. The number of chapters participating in Iowa has grown from 31 in '60 to 121 in '78.

NATIONAL RECOGNITION

National Conventions - Iowa was represented at the original organizational meeting held in November, 1928, at Kansas City, when the first National Constitution was adopted, by Herschel Hintermeister of Muscatine and G.F. Ekstrom. Since that time official delegates and local members, chapter advisors, awards winners and guests have represented the Iowa Association annually at each National Convention.

National Pilgrimage - The Iowa Association was represented at the National Pilgrimage at Washington, D.C., Mt. Vernon and Monticello in 1933 by President Charles Steward, Dana, LaVern Newton and William Meyer of Iowa Falls and H.T. Hall, executive secretary-treasurer. President Steward participated in the dedication ceremonies of a room in Monticello to the purpose and ideals of the FFA.

National Radio Program - The Woodbine chapter presented a program as one feature of the National FFA Radio Program over the N.B.C. Network in October, 1933. The Scenic City chapter of Iowa Falls presented a similar program in November, 1936.

National Officers - LaVern Newton of Iowa Falls was elected second vice president of the Future Farmers of America representing the North Central Region and served during 1932-33.

Julius Black of Waukee was elected to a national office of the FFA at the 1935 National Convention and served as secretary for one year.

H.T. Hall, State FFA Advisor, served as a member of the Board of Directors July 1940-June 1942.

Mark Z. Hendren, Des Moines, Assistant State Consultant, served as assistant superintendent or superintendent of the National FFA Contests held in Dairy Cattle and Dairy Products at Waterloo from 1948 to 1963. He served as Division Superintendent of the Dairy Cattle Contest from 1961 to 1963.

Gerald F. Barton, Des Moines, Assistant State Consultant served as assistant superintendent or superintendent of the National FFA Contests held in Dairy Products and Dairy Cattle at Waterloo from 1948 to 1964. He served as Division Superintendent of the Dairy Products contest from 1950 to 1957.

H.T. Hall, Des Moines, State Consultant served as Division Superintendent of the National FFA Contest in Poultry Production held at Iowa Falls from 1949 to 1950.

National Public Speaking Contest - In 1949, at the 22nd National Convention Larry Siddall of the Laurens Chapter participated in the National Public Speaking Contest. Larry was awarded second place on the subject, "A Hook or a Hand." Jim Borthwick, College Springs, was the first place National FFA Public Speaking winner at the 1956 convention. The title of his speech was "Challenge of Farming." Bill Plagman of the Aurelia Chapter participated in the National Public Speaking Contest in 1965. The title of his speech was "The Dynamic March of Agriculture." Dennis Dammen of the Osage Chapter was awarded second place in the National FFA Public Speaking Contest at the 1970 Convention. The title of his speech was "Food For Tomorrow's Security."

Donald Jorgensen of Lake City was elected vice president of the FFA representing the North Central Region and served during 1950-51.

Regional Star Farmer - Larry Lust, Newton, 1956.

Regional Star Farmer - Bruce Hemmingson, Akron, 1972.

Regional Star Farmer (Agribusiness) - Ordel Stinson, Cresco, 1975.

National Leadership Training Conference - The Iowa Association was represented at the first National Leadership Training conference held in 1959 at Washington, D.C. by State President, Larry Thomas, Muscatine; Secretary, Gordon Adkins, Grinnell; Vice President, Art Rambo, Keosauqua; Reporter, John Knickman, Council Bluffs; and Advisor H.T. Hall.

C.E. Bundy, Agricultural Education, Ames, served on the National FFA Board of Trustees, 1960-61.

Serving the National Convention in special assignments were Verle Petersen, Villisca, convention soloist, 1960; Marvin Moeckly, Ankeny, organist and Charles Peterson, Villisca, soloist, 1961; Gaylord Converse, Sumner, soloist, 1963.

National Agriculture Hall of Fame - To date a total of \$XXXXXXXX has been donated to the National Agriculture Hall of Fame by local chapters and the Iowa FFA Association.

Edward Wiederstein representing the Audubon FFA Chapter was presented the one-millionth FFA Jacket at the 37th National FFA Convention at Kansas City. He was one of six Future Farmers who submitted orders through advisor James Hamilton. The order was received in Alexandria, Virginia and Edward's name was selected as recipient of the on-millionth jacket, 1964.

Steven E. Zumbach of the West Delaware FFA Chapter, Manchester, was elected National Vice President Central Region 1969-70.

Wayne L. Humphreys of the Winfield FFA Chapter was elected National Vice President Central Region 1970-71.

Dr. Norman E. Borlaug, a four year vocational agriculture student in the Cresco High School in the early thirties received the coveted Nobel Peace Prize medal December 10, 1970 in Oslo, Norway. His Vo Ag Instructor was the late Harry Schroder, 1970-71.

Tim J. Burke of the New Hampton FFA Chapter became the first Iowan elected as president of the National FFA Organization, 1971-72. As a special salute for serving as the first National FFA President from Iowa, a "Tim Burke - National FFA - U.S. Jamaica Pig Chain Project sponsored by the National Organization FFA and the Iowa Association FFA" was successfully conducted in 1972-73 and included 14 purebred gilts and 2 boars. Funds were provided by the Iowa Chapters.

Dwight O. Seegmiller of the North Winneshiek FFA Chapter, Decorah RR#3, became the second Iowan to be elected President of the National FFA Organization, 1972-73. It was the first time in the history of the FFA Organization that National Presidents from the same state association were elected in consecutive years. As a special recognition to Dwight for serving as the second National FFA President from Iowa and to commemorate the development of a special set of activity materials developed during his term, an official three ring, three inch gold "Chapter Guide to FFA Activities" was provided to each chapter by the Iowa FFA Association. The project was funded by Iowa Chapters.

Gerald F. Barton, State FFA Advisor, served as National FFA Board of Directors member July 1972 to June 1974 and also served as Chairman of the Finance Committee.

The National FFA Alumni Association organizational meeting was held on May 12, 1972, in Chicago, Illinois, where Iowa was the 23rd state to receive its state charter. Those attending from Iowa included Tim Burke, Dwight Seegmiller and Gerald F. Barton.

Thomas A. Hoerner, ISU, Ames, (Ag. Engineering), served as Division Superintendent and Assistant Superintendent of the National FFA Agricultural Mechanics Contest from 1972 to 1978.

Emeron P. Dettmann, State FFA Treasurer, served as Assistant Superintendent and Superintendent of the National FFA Milk Quality and Dairy Foods Contest from 1973 to 1978.

IOWA FFA BAND

An Iowa FFA Band of 75 pieces was first organized in 1934 and made its initial appearance at the annual state FFA conference that year. Since that time, the FFA band has been one of the features of each conference program.

The 1938 band was composed of 100 members from 33 FFA chapters in the state. All were active members in good standing with their local chapters and with few exceptions were in high school and enrolled in vocational agriculture classes.

The band appeared in uniform at the 10th State Convention program held at Iowa State College, May 12-13, 1938; the 1938 Iowa Centennial Fair, August 24 to September 2; and the 11th National FFA Convention at Kansas City, October 17, 1938. Mr. A.R. Edgar, director of the Iowa State College Bands, and his assistant Mr. Paul Bachman, directed the band at these three appearances.

The band was financed by the state and national organizations, the local chapters and individual members. The state association provided music, official uniform caps, lodging and transportation. Local chapters and individual members provided official uniform jackets, instruments, and personal expenses. The five-day trip to the National Convention was made by chartered buses, railroad and private automobiles.

Chapters with members in the band when it appeared on the National Convention program were as follows: Ackley, Ankeny, Carroll, Castana, Clarinda, College Springs, Denison, Denmark, Dunlap, Fairfield, Forest City, Grand Junction, Griswold, Iowa Falls, Logan, Lytton, Manilla, Mapleton, Marengo, Mount Ayr, Muscatine, Ogden, Panora, Pella, Radcliffe, Sac City, Shenandoah, Sigourney, Story City, Tipton, Waukee, West Branch, Winterset.

The appearance of the Iowa FFA Band has become an established custom at the annual state conference. The members come from the chapters located in all sections of the state.

Since 1950, Band Directors have been: R. Cedric Anderson, Cedar Rapids, 19 years, and served as National FFA Band Director 1962-63-64; Merrill Brown, Council Bluffs, 1 year; Robert Ballenger, Jesup, 1 year; Dale Carris, Sioux City, 1 year; Robert Colwell, Council Bluffs, 1 year; Jim Burr, Sumner, 1 year; Ron den Hartog, Newton, 2 years; Jerry Ellingson, Marshalltown, 1976-94; William Bird, West Des Moines, 1995-current.

The Iowa FFA Band has appeared at State Conference since 1934; State Fair in 1940-41, 1946-52; and at Dairy Cattle Congress in 1946-47.

IOWA FFA CHORUS

The Iowa FFA Chorus was organized in 1948-49 and has made its appearance at every State Conference since that time.

Since 1950, Chorus Directors have been Paul Anthon, Cedar Rapids, 2 years; Lee Knoll, Sioux City, 1 year; Robert Larson, Sioux City, 1 year; Vincent McCowen, Waterloo, 1 year; Pam Mumm, Newton; Bruce Norris, Mondamin; and for 24 of 26 years from 1978 to 1997, Joe McCoy, Davenport.

IOWA FUTURE FARMER/IOWA FFA TODAY

The Iowa Future Farmer was first published in printed form and mailed to FFA members in October 1949. Gerald F. Barton was editor 1949 to 1969; Elwood J. Mabon, editor 1969 to May 1979; Gerald F. Barton, editor October 1979 to May 1980; Emeron P. Dettman, editor, October 1980 to December 1983; Alan L. O'Neal, editor, February 1984 to February 1988; Margaret A. Ellibee, editor, May 1988 to May 1989; Nancy J. Curry, editor, October 1989 to October 1993; Sheryl L. Janko, editor, December 1993; Ryan Vander Heiden, editor, February 1994 to May 1994; Cindy McCoun, editor, October 1994; Jason M. Brockshus, editor, December 1994 to 1997; Scot D. Harold, editor, 1998; Scott D. Johnson, editor 1999 to 2000; Kimberly S. Anderson, 2000 to present.

In addition to members it has been distributed to all agricultural education departments in the state, national office, college libraries, news agencies, farm magazines, radio and television stations, all state FFA associations, and to other interested groups and individuals. The magazine was known as the Iowa Future Farmer until the name was changed to the Iowa FFA Today in October of 1990. Beginning in March of 1997, the Iowa FFA Today became published as an insert in the New Horizons magazine. The magazine has been published every year without exception since 1949.

IOWA FFA ADMINISTRATIVE ASSISTANT

In 1994, a Leadership Coordinator position was established with funds appropriated from the state legislation to the Iowa FFA Foundation. The leadership coordinator responsibilities include: facilitation of leadership career development events; National Chapter Program judging; proficiency judging; Made for Excellence Conferences; Iowa State Fair grandstand ushers, free entertainment stage hands, and camp ground workers; and editor of the Iowa FFA Today.

In November 1997, the title was changed to administrative assistant and the Iowa State Fair responsibilities were removed; however, the responsibility of updating this history book was added.

In November 1998, the responsibility of coordinating the Iowa Bus Trip to the Washington Leadership Conference was added.

FFA CHAPTER CHARTERING DATES

This is a chronological list of the original FFA chapter dates by school districts (listed by post office address and chapter name) offering agricultural education classes in 1997-98. When chapters were rechartered, such as following World War II when instructors again became available and departments were reopened, the original chartering dates were used. Likewise, where there was reorganization of a school district the original chartering date of the older chapter involved was used.
