IV. **Resource Information**

A. Topic Selection

1. The agricultural issue could come from one of the following eight agricultural issue topic areas as listed in the Focusing on Agricultural Issues Instructional Materials (www.FFA.org/resources/ag-issues)
2. The issue teams will be discussing is to be presented in a question format.
3. The same general agricultural issue, topic, or question will not be used in the following three years by the same chapter and/or advisor at the state competitive event. The issue used for the 2020 event is exempt from this rule.

4. Each team's topic will stay the same between the District and State levels.
 5. Research on the topic must be current and a result of the students' efforts.
 6. The topic questions will be shared through Iowa FFA Online prior to districts.
- B. Advancing to the State Event
1. A chapter is asked to have a minimum of five high quality public forums prior to their state qualifying event. These forums provide the opportunity for a state qualifying team to receive a maximum of 10 points at the state event. **Evidence of these forums, in the form of a verification letter, shall be turned in at the state event.** Example portfolios can be found on the [National FFA Agricultural Issues Webpage](#). Only the evidence of the forums is required at state.
 2. Any additional information beyond the evidence of forums will not be provided to the judges.
 3. High-quality forums are those presentations made to community groups that would have an interest in the issue. High-quality forums can also be with smaller numbers of individuals who hold elected, appointed, or other official positions that will make decisions or impact the issue. Suggested procedures for setting up these presentations and examples of community groups have been provided in the [Agricultural Issues Forum Presenter's Guide](#).
 - a) For example, providing a water quality issue to a water district board of 6 is still high-quality, and providing your presentation to the governor of 1 is still high quality as long as they play a role in the issue.
 4. Examples of low-quality forums would be quickly visiting a local business and giving a presentation to the workers, going to the home of one of the parents to deliver the information, presenting the forum at the chapter's FFA banquet, and presenting the forum to a class in the school. Low-quality forums will receive zero or minimal points.
 5. A team may submit up to two live virtual forums as part of their five community forums.

VIII. Event Forms

Showcase Respect of all Cultures Letter for Judges

To Whom It May Concern:

The Agricultural Issues Event respects and promotes the practice of one's first amendment rights. The event is a unique opportunity for students to research and embody a stance on an issue that the student may normally not align with personally. By the students embodying a professional with a different set of beliefs, they can gain a deeper understanding of the issue. It is your role as a judge to remain unbiased and not take sides on the issue(s). A high-quality judge in the Agricultural Issues Event can remove their personal beliefs and evaluate the students on the rubric outlined in the Iowa FFA Association Ag Issues & Perceptions LDE Rules.

Additionally, we ask that students demonstrate the same level of respect. Students should always show respect to all cultures, including those different from the speaker. In no manner should a team provide a forum that could be considered offensive to a culture different from themselves. Answers to questions should be answered with facts rather than opinions or stereotypes. The definition of culture is broadly defined, therefore, it is recommended to consider all cultures as professionals. It is further recommended that teams present their forums to diverse audiences, including the dynamic of cultures represented in the presentation. By completing this task, written and verbal feedback should provide a quality measure on the cultural sensitivity of the forum.

Thank you for serving as a judge for the Agriculture Issues Event and for making the competitive event a success. With your assistance, this event will provide students with insight on some of the most pressing issues of our times.

Sincerely,

Iowa FFA Ag Issues LDE Chairpersons & Assistants
